The screenshot shows a mobile application interface. At the top, there are six green square icons arranged horizontally. Below them is a horizontal line with eight blue square icons spaced evenly along it. The main area contains five radio button options, each followed by a label: "○○○○○", "○○○○○○○○○○", "○ google○○○○○", "○○○○○○○○", and "○○○○". At the bottom, there is a light blue rectangular button with two small white squares inside, and to its right, the text "○○○○" in black.
